EVERY CHILD, EVERY OPPORTUNITY

CHARGES AND VOLUNTARY CONTRIBUTIONS FOR 2026

Voluntary Contributions: In accordance with the Department of Education Contributions, Charges and Fees Policy, schools are able to request voluntary contributions to a maximum of $60 per child for years K– 6. Although contributions are voluntary , without this money our Centre would be disadvantaged as the money received is used to purchase and subsidise a variety of essential school resources, including texts and programs such as boys and girls club, protective behaviours, community access and cooking that directly benefit your child/children. We therefore encourage all families to support the Centre and pay these contributions as soon as possible.

This year voluntary contributions for Leda Education Support Centre are $40 for each student Yr K—6. Parents can pay to Campion on collection of pre-ordered stationary packs, pay at the School Office at the beginning of Term 1 or pay off over a period of time as negotiated with the Manager of Corporate Services. This contribution covers laminating, resources, crafts, community access and consumables such as cooking items.

Charges: This term refers to the anticipated costs of extra activities throughout the year as incursions, excursions etc. Participation in extra activities that incur a charge is optional. Although parents can decide whether or not their child participates, these activities are incorporated in the educational programme and it is highly recommended that students do participate. **If you are experiencing financial difficulty at the time of payment please speak with the office.**

The items listed below are an indication of what parents could expect to pay for voluntary charges and additional charge options for 2026 although organisers will aim for the cheapest possible cost.

The charges and voluntary contributions have been approved by the School Board as required by the Education Act 1999.
