# Voluntary Contributions and Charges

**Voluntary Contributions – 2027**

In accordance with the Department of Education's Contributions, Charges and Fees Policy, schools may request voluntary contributions of up to $60 per student for Years K–6.

At Leda Education Support Centre, the voluntary contribution for 2026 is $40 per student for Kindergarten to Year 6.

While these contributions are entirely voluntary, they play an important role in enhancing the learning experiences we provide for our students. The funds collected help us purchase and subsidise a range of essential educational resources, curriculum-based activities and classroom materials that directly support your child's learning, development and engagement.

Your contribution helps us provide valuable hands-on learning opportunities and maintain the resources our students need to participate in a variety of enriching educational experiences. We sincerely appreciate the support of our families, as every contribution makes a difference to our Centre and our students.

**How to Pay**

Families can make their voluntary contribution using one of the following options:

- Campion: Payment can be made when collecting pre-ordered stationery packs.
- School Office: Payment can be made at the School Office at the beginning of Term 1.
- Payment Plan: Families may arrange to pay the contribution over a period of time by negotiating a suitable arrangement with the Manager of Corporate Services.

**What Does the Contribution Cover?**

Your contribution helps fund a variety of essential classroom and educational resources, including:

- Laminating and preparation of learning materials
- Classroom and curriculum resources
- Arts, crafts and creative learning materials
- Learning experiences

We warmly encourage families who are able to contribute to do so, and we thank you for your ongoing support of Leda Education Support Centre. Your generosity helps us continue to provide meaningful, engaging and enriching learning opportunities for all our students.
